SRI BHAGAVATI
ENTERPRISES | INDUSTRIAL

Sri Bhagavati offers a gateway of services including Industrial Labour, Placement, Housekeeping, Gardening, Project Works and Security.

We are a customer-focused company built around a culture of efficiency, quality and value for money. Catering to a diverse clientele across industries, we have created a strong foothold in the industrial & corporate segments in **All Over INDIA**. Inspired by our passion for 'service excellence', we add tangible value to our clients' business through our domain expertise and professional approach that resonates with the best industry practices.

Leadership

Mr. V. M. Mahajan
Founder-Director

Sri Bhagavati was established by **Mr V. M. Mahajan** in 2006. A Management graduate (MPM) endowed with 22+ years' cross-industry experience, he is breaking new ground in Manpower Supply and Facility Management. His expertise, leadership qualities and strong vision are propelling the Company towards a new horizon of market success.

Our Vision

To emerge as the market leader in Industrial Labour Supply and Placement Services on a pan-India landscape.

Work Culture

We provide a stimulating work environment, where employees get ample opportunities for career growth and financial fulfillment. Sensitive towards the needs of employees, we have a work environment that focuses on the training and development of our team members. **Sri Bhagavati** is a workplace where employees work with dignity & responsibility, share excellent team spirit and align their individual goals with the company's strategic vision.

Core Values

We have identified a set of strong core values. Anchored deeply in our work culture, these values guide our individual and corporate behaviour. They inspire our thoughts, drive our actions and motivate us to cope with challenging situations. These treasured principles enable us to enhance business performance, improve customer satisfaction and build excellent relationships with all business stakeholders.

These are the Core Values we live by:

- ▲ Service excellence is our pride
- ▲ Our business is built on a foundation of trust
- ▲ Professionalism is integral to our work culture
- ▲ Customer commitment is our cherished tradition
- ▲ Our dedicated people are our biggest strength

Why Choose Us?

We bring to the table a set of capabilities and competitive advantages; here is why our customers trust us with repeat business, year after year:

- ▲ A reliable source for high quality manpower
- ▲ Expertise in the supply of skilled, semi-skilled and unskilled labour
- ▲ Proven processes in place for identifying, assessing, selecting and on-boarding the right candidate for the right job
- ▲ The ability to scale up manpower supply as per demand
- ▲ Eliminate multi-vendor dependency; we provide a range of services conveniently under one roof
- ▲ Ease of doing business
- ▲ Qualified, trained staff
- ▲ Dynamic & visionary management team

Our Services

Industrial Labour Supplier

Reliable & responsible workforce

Suitably trained, hard-working labour is crucial for smooth industrial operations. Whether it is an engineering plant or a processing facility, the need for quality workforce is paramount.

Sri Bhagavati is a renowned Labour Supply Contractor for engineering enterprises, auto showrooms and other businesses. As a trusted Placement Consultant, we also provide competent manpower at junior, middle and senior managerial talent for clients in diverse industries.

Housekeeping Services

Cleanliness is godliness..!

A clean, hygienic and well-maintained business space positively impacts the work efficiency of employees.

At **Sri Bhagavati**, we offer Housekeeping services essentially for corporate offices and industrial units. We take up an array of tasks that include sweeping, dusting, mopping, vacuuming and assorted maintenance activities.

Our well-trained housekeeping personnel adopt the latest techniques and methods; working with a focus on dedication and punctuality, they deliver exceptional results.

Gardening Services

Keeping your garden blooming

The garden or lawn within your factory premises or outside your corporate office needs regular attention from professionals.

We pride on our passion, knowledge and experience in Garden Maintenance and Development work. Our Horticulturists and Gardeners are experienced professionals who bring to your garden superb workmanship, along with a genuine love for plants. Driven by the highest professional standards, we provide the following services to industrial clients in All Over **India**:

- ▲ Gardening & Horticultural Services
- ▲ Terrace Garden Implementation
- ▲ Indoor Plant Maintenance
- ▲ Daily Bouquet Services

Project Works

Proven capabilities in Design & Engineering

Whether you are building a factory, Smart city Project Works, warehouse, cold storage facility or a greenhouse, we support your business endeavour by offering a range of Project Works. Our quality construction & allied services enable you to successfully complete your ambitious project on time and within the stipulated budget.

Our Service offerings include:

- ▲ Fabrication Works
- ▲ Installation
- ▲ Civil Works
- ▲ Painting

Management Consultancy

Speedy, one-stop compliances

Setting up a new industrial plant or rolling out a new project requires several legal and technical sanctions from the concerned authorities.

We leverage our liaising expertise to obtain the necessary approvals and certificates. Through our deep knowledge of statutory compliance in the industrial sector, we ensure your project takes off the ground as per schedule.

We ensure compliance related to:

- ▲ Factory Act
- ▲ Labour Office
- ▲ Provident Fund
- ▲ ESIC
- ▲ PCMC
- ▲ MPCB

Security Services

Committed to safeguarding your property & premises

Your factory and premises need to be guarded all the time. We provide expert vigilance and protection; our professionally trained, qualified and reliable security personnel make use of hi-end technology to safeguard your property/project continually and efficiently.

We provide top-notch Security services for:

- ▲ Industrial plants
- ▲ Project sites
- ▲ Warehouses
- ▲ Commercial establishments like Malls, Multiplexes, etc.
